TERMS OF USE

1. ACCEPTANCE OF TERMS

UNIX Packages, LLC. provides the information and services on the unixpackages.com the (“Site”) to you, the user, conditioned upon your acceptance, without modification, of the terms and conditions of use applicable to the Site. Your use of the Site constitutes agreement with the terms and conditions of use set forth herein (the “Terms”). Before using the Site, please carefully read this agreement relating to your use of the Site. By using the Site, you agree to be bound by these terms and conditions. If you do not agree to these terms and conditions, please do not use the Site. UNIX Packages reserves the right, at their sole discretion, to change, modify, add or remove portions of these Terms periodically. Such modifications shall be effective immediately upon posting of the modified agreement to the website unless provided otherwise (e.g., when implementing major, substantive changes). Your continued use of the Site following the posting of changes to these Terms will mean that you accept those changes. Use of the Site constitutes full acceptance of and agreement to the Terms; if a user does not accept these Terms, he or she is not granted rights to use the Site as defined herein, and should refrain from accessing the Site. UNIX Packages reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Site (or any part thereof). UNIX Packages shall not be liable to any user or other third party for any such modification, suspension or discontinuance except as expressly provided herein.

2. NO UNLAWFUL OR PROHIBITED USE

By using the Site, you warrant to UNIX Packages that you will

not use the Site, or any of the content obtained from the Site, for any purpose that is unlawful or prohibited by these Terms. If you violate any of these Terms, your permission to use the Site automatically terminates.

3. DESCRIPTION OF SERVICES

The Site is owned and operated by UNIX Packages for the purpose of providing software applications, technology news, and information the IT community.

4. REGISTRATION OBLIGATIONS

When requested, each UNIX Packages Site user must: (1) personally provide true, accurate, current and complete information on the Site's registration form (collectively, the "Registration Data") and (2) maintain and promptly update the Registration Data as necessary to keep it true, accurate, current and complete. If, after investigation, UNIX Packages has reasonable grounds to suspect that any user's information is untrue, inaccurate, not current or incomplete, UNIX Packages may suspend or terminate that user's account and prohibit any and all current or future use of the Site (or any portion thereof) by that user other than as expressly provided herein. Each user will receive passwords and account designations upon completing the registration processes and is wholly responsible for maintaining the confidentiality thereof and wholly liable for all activities occurring thereunder. UNIX Packages cannot and will not be liable for any loss or damage arising from a user's failure to comply with this Section 4, including any loss or damage arising from any user's failure to: (1) immediately notify UNIX Packages of any unauthorized use of his or her password or account or any other breach of security; and (2) ensure that he or she exits from his or her account at the end of each session. You represent and warrant that you are of legal age in your jurisdiction to create binding contractual and financial obligations and to assume any liability that you may incur as a result of your use of the Site. UNIX Packages handles user

Registration Data in accordance with its Privacy Policy.

5. CONTENT

Under no circumstances will UNIX Packages be liable in any way for any Content, including, but not limited to, liability for any errors or omissions in any Content or for any loss or damage of any kind incurred as a result of the use of any Content posted, emailed or otherwise transmitted via the Site. Each user must evaluate, and bear all risks associated with the use of any Content, including any reliance on the accuracy, completeness, or usefulness of such Content. Some software on this site may have hooks to cryptography. The standard statement (taken from the OpenSSL statement) applies to any such software from this Site.

“PLEASE REMEMBER THAT EXPORT/IMPORT AND/OR USE OF STRONG CRYPTOGRAPHY SOFTWARE, PROVIDING CRYPTOGRAPHY HOOKS OR EVEN JUST COMMUNICATING TECHNICAL DETAILS ABOUT CRYPTOGRAPHY SOFTWARE IS ILLEGAL IN SOME PARTS OF THE WORLD. SO, WHEN YOU IMPORT ANY PACKAGE TO YOUR COUNTRY, RE-DISTRIBUTE IT FROM THERE OR EVEN JUST EMAIL TECHNICAL SUGGESTIONS OR EVEN SOURCE PATCHES TO THE AUTHOR OR OTHER PEOPLE YOU ARE STRONGLY ADVISED TO PAY CLOSE ATTENTION TO ANY EXPORT/IMPORT AND/OR USE LAWS WHICH APPLY TO YOU. THE AUTHORS ARE NOT LIABLE FOR ANY VIOLATIONS YOU MAKE HERE. SO BE CAREFUL, IT IS YOUR RESPONSIBILITY”.

6. LICENSING AND OTHER TERMS APPLYING TO CONTENT ON THE SITE:

Use, reproduction, modification, and other intellectual property rights to packages stored on the Site will be subject to licensing arrangements that may or may not be approved by UNIX Packages. License information for the packages themselves can be found by viewing the source code and/or by visiting the developers website.

You agree not to sell, resell, or offer for any commercial purposes, any portion of the Site, use of the Site, or access to the Site without express agreement by UNIX Packages.

8. GENERAL PRACTICES REGARDING USE

UNIX Packages reserves the right to mark as “inactive” and archive accounts and/or Content that are inactive for an extended period of time. UNIX Packages reserves the right to change these general practices at any time, in its sole discretion, with notice to users and the public as described in Section 1 above. In addition, you will use the Sites in compliance with all applicable international, state, federal and local laws and in accordance with these Terms. In addition to the above, you may not access or use the Site for any purpose other than that for which UNIX Packages makes it available. Without limiting any other remedies, UNIX Packages may suspend or terminate your account if we suspect that you have engaged in unlawful or prohibited activity in connection with the Site. UNIX Packages reserves the right, in its sole discretion to investigate and take appropriate legal action against anyone who, in UNIX Packages’s sole discretion violates this provision. Prohibited activity includes, but is not limited to: illegal or tortious activity, including, harassment (including using any information obtained on or via the Site to harass, abuse, or harm another person), spamming, copyright infringement, patent infringement, or theft of trade secrets; using any information obtained from the Site in order to contact, advertise to, solicit, or sell to any user without such user’s prior explicit consent (including non-commercial contacts like chain letters); compiling or collecting Associated Content, Site Materials, or Sponsor Content from the Site as part of a database or other work; interfering with, disrupting, or creating an undue burden on the Site or the networks or services connected to the Site, including, without limitation, any attempt to circumvent the access controls or security measures of the Site; accessing the Site by any means other than through interfaces provided by UNIX Packages, unless otherwise specifically authorized by UNIX Packages in a separate, prior written agreement; circumventing, disabling or otherwise interfering with security-related features of the Site, or features that

prevent or restrict use or copying of any Materials or enforce limitations on use of the Site or the Materials therein; attempting to impersonate another user or person, using the user account of another person, and selling or otherwise transferring your user account, or otherwise misrepresenting your affiliation with a person or entity; and, selling, reselling or offering for any commercial purposes, any portion of, use of, or access to the Site, except where specifically endorsed or approved by UNIX Packages.

9. TERMINATION

UNIX Packages may terminate a user's account in UNIX Packages's absolute discretion and for any reason. UNIX Packages is especially likely to terminate for reasons that include, but are not limited to, the following: (1) violation of these Terms; (2) abuse of site resources or attempt to gain unauthorized entry to the site or site resources; (3) use of an UNIX Packages Site in a manner inconsistent with the Purpose; (4) a user's request for such termination; or (4) as required by law, regulation, court or governing agency order. UNIX Packages's termination of any user's access to any or all the Site may be effected without notice and, on such termination, UNIX Packages may immediately deactivate or delete user's account and/or bar any further access to such files. UNIX Packages shall not be liable to any user or other third party for any termination of that user's access or account hereunder. In addition, a user's request for termination will result in deactivation but not necessarily deletion of the account. UNIX Packages reserves the right to delete, or not delete, a user's account at UNIX Packages's sole discretion, as well as to delete, or not delete, content at UNIX Packages's sole discretion.

10. LINKS

UNIX Packages, or a third party may provide links to other websites. UNIX Packages exercises no control whatsoever over such other websites and web-based resources and is not

responsible or liable for the availability thereof or the Content, advertising, products or other materials thereon. UNIX Packages shall not be responsible or liable, directly or indirectly, for any damage or loss incurred or suffered by any user in connection therewith. Your access and use of linked websites, including information, material, products and services therein, is solely at your own risk. The Site' Privacy Statement is applicable only when you are on an UNIX Packages Site. Once you choose to link to another website, you should read that website's privacy statement before disclosing any personal information.
